## Agenda Item Staff Report For the Regular City Council Meeting: February 12, 2013

TO: Honorable Mayor and Members of the City Council

FROM: City Administrator

SUBJECT: Purchasing Authority for land acquisition and construction easements associated with the 6<sup>th</sup> Street Bridge project located at 6<sup>th</sup> Street and Hamilton Slough, Biggs, CA.

Council is asked to approve purchasing authority for land acquisition and easements associated with the 6<sup>th</sup> Street Bridge Project.

### Background

Various, relatively small pieces of land acquisition are needed for the 6<sup>th</sup> Street Bridge project right-of-way. Additionally, there are needs for certain construction easements in the vicinity of the construction project.

This cost is 100% reimbursable by CalTrans.

### Recommendation:

Approve City Administrator purchasing authority for land acquisition of right-of-way and purchase of construction easements associated with the 6<sup>th</sup> Street Bridge project not to exceed \$11,000.

### Fiscal Impact of Recommendation:

Up to \$11,000 which is 100% reimbursable by CalTrans.
